Your ongoing support is essential in helping us meet the many needs of the parish and community.

St. Paul reminds us today that all of our gifts have their source in the Holy Spirit and that those gifts are given "for the common good." What gifts are mine to share?

Pentecost Sunday
May 24, 2015
There are different kinds of spiritual gifts but the same Spirit.
— 1 Corinthians 12:4

A SIGNIFICANT DAY

“And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house in which they were” (Acts 2:2). The Holy Spirit’s arrival on that first Pentecost was signaled by a rush of wind. We all know what it’s like when our windows are open just as a summer storm rises up. Curtains fly, papers become airborne, house plants shudder, dust is scattered. A rush of wind disrupts the orderliness of our home. The coming of the Holy Spirit, as celebrated each year at Pentecost, can also disrupt ways that have become comfortable and orderly. The Church always needs Pentecost. We need the breath of God’s Spirit to blow away any complacency or malaise that has settled into our faith. Jesus breathes on his disciples and they receive the Holy Spirit. With that reception comes the power to share the Good News of salvation. Today, this is no less true for us.

A PRAYER TO THE SPIRIT

Holy Spirit,
who sent Christ Jesus
to carry the Good news to the poor,
we pray to you:

Help us to continue your work
by serving the poor, our brothers and sisters.

Interested in becoming Catholic?

Many people have said that what drew them to the Catholic Church was the Eucharist. As we reflect on recognizing Jesus in the Breaking of the Bread, think for a moment whether there is someone you could invite to Mass and to explore what else the Catholic faith might hold for them. Inquiry sessions are starting

for those who have never been baptized or who have been baptized in a non-Catholic tradition, as well as adult Catholics who have not been confirmed. For more information, contact our RCIA coordinator Rose Jenschke at (707) 746-8620 or call the parish office at (707) 644-5251.

Please search your heart and if the Spirit moves you, please consider SVdP ministry. Join us on Monday, June 1st at 7pm in the Fr. Garrigan Room.

CORPUS CHRISTI CELEBRATION

Establishment of the Feast of Corpus Christi

According to Canon Law (Can. 944 1,2) "Wherever in the judg-

ment of the diocesan Bishop it can be done, a procession through the streets is to be held, especially on the solemnity of the Body and Blood of Christ, as a public witness of veneration of the Blessed Eucharist. It is for the diocesan Bishop to establish such regulations about processions as will provide participation in them and for their being carried out in a dignified manner." Note that such processions can take place throughout the liturgical year but are "especially" encouraged on the feast of Corpus Christi. No other devotion has received such attention in the Code of Canon Law which shows the importance the Church attaches to this feast. It is one of the few feasts which is mentioned along with Holy Days of Obligation:"...the following holy days are to be observed: the Nativity of Our Lord Jesus Christ, the Epiphany, the Ascension of Christ, the feast of the Body and Blood of Christ, the feast of Mary, the Mother of God, the Immaculate Conception, the Assumption, the feast of St. Joseph, the feast of the Apostles Sts. Peter, Paul, and the feast of All Saints." (Can. 1246 1)

Eucharistic Procession

A notable Eucharistic procession is that presided over by the Pope each year in Rome, where it begins at the Archbasilica of St. John Lateran and makes its way to the Basilica of Saint Mary Major, where it concludes with Benediction of the Blessed Sacrament.

The public procession of the Eucharist should be promoted everywhere, especially in the light of the example of Pope John Paul II, who took the annual Corpus Christi procession from St. Peter's Square to the streets of Rome.

Living God's Word

We pay much more attention to hiccups because they are disruptive. Sighing comes easily. It settles us and heals. There's good in both of them: hiccups direct our thoughts to what may need attention, sighing provides a moment of peace.
